

Scholarship and Bursary Redemption

At the Graduation ceremony you were given a letter at grad explaining how to redeem the money. Some donors gave you the money at grad, while others give it at the outset of your first semester of post-secondary school, and still others want to see you complete first semester and be registered in second semester. Donors determine when recipients receive their money. **This is why it is essential that you make other financial arrangements for your 1st semester of post-secondary school.**

1. Keep the letter you receive at the graduation ceremonies.
2. At the respective time send or email a copy of proof of enrollment & a transcript showing marks, along with your phone number and current mailing address to:

Kerri Larson
Fort Nelson Secondary School
Box 90
Fort Nelson, BC
V0C 1R0
Tel. 250-774-6958
Email klarson@sd81.bc.ca

3. Some donors will also request that you send your SIN number to them.
I will email you and request that if it is necessary. You will send it directly to the donor, not to me.
